Our Story

Founded as a logistics company, Rood Logistics quickly built a reputation for reliability, timing, and traceability. As client needs grew in the energy sector, we expanded into oil & gas transportation and storage. Today, we operate from the world's most strategic hubs—Rotterdam, Houston, Singapore, and Fujairah—providing safe, efficient, and compliant energy logistics solutions.

Mission

To move energy safely and efficiently—delivering certainty for customers and communities through operational excellence. Vision A connected network of world-class terminals and routes that supports resilient, responsible energy trade.

Core Values

■ Safety first—always.

- Integrity and accountability.
- Customer obsession.
- Continuous improvement and innovation.
- Respect for people and the environment.

Our Services

- Petroleum Product Transportation (road, sea, pipeline)
- Tank Farm Storage & Terminal Operations
- Cargo & Terminal Insurance Coordination
- Compliance & HSSE Programs
- Sustainability Initiatives & Carbon Reduction
- Value-Added Services: blending, customs clearance, quality testing

Global Presence Rood Logistics maintains a strong presence in four global hubs:

- Rotterdam, Netherlands – Europe's energy gateway with extensive refinery and storage facilities.

- Houston, USA – Gulf Coast energy trading and logistics hub.

- Singapore – Asia-Pacific petrochemical and bunkering hub.

- Fujairah, UAE – Strategic deep-water storage and bunkering outside the Strait of Hormuz. Governance & Compliance Rood Logistics aligns its operations with international standards:

- HSSE Management – ISO 45001 & ISO 14001 aligned programs.

- Quality Management – ISO 9001 processes and rigorous testing.

- Trade Compliance – Adherence to OFAC, EU, and UK sanctions.

- Ethics – Anti-bribery and whistleblowing frameworks. Our commitment to compliance and transparency ensures operational resilience and partner trust.
